

NPPCD

Under national Programme for Prevention and Control of Deafness (NPPCD), we have procured Audiometer, Screening Oto Acoustic Emission (OAE) and Hearing aid programmer. Conducted more than 7 medical camps in different island of Lakshadweep under NPPCD in collaboration with NPRPD. Hearing screening programme have also been integrated into the school Health programme.

We provide ENT OPD services and perform Endoscopic Ear surgeries. And also offer diagnostic and rehabilitative services such as audiometry, Neonatal hearing screening , speech and language intervention and Hearing aid programming. In addition hearing aids are provided to individual with hearing impairment.
